

Students from Clarksville Elementary

Dear Magic Michael,
thank you for coming to
put on your show here at
Clarksville Elementary School.
My favorite trick was when
you made Jaymie float in
mid-air. I also liked when
you made the yellow scarf turn
into a magic wand. I hope
you can come some other time.
You are the coolest magician.
Thanks again.

Sincerely,
Nick

Dear Magic Michael,
I have never seen
a better magic show
in my life. You were

Dear Magic Michael,
I liked your show a lot.
My favorite part of the
show was when you
made Jaymie float in
mid-air. I also liked
it when you made the
hat out of tissue paper.
At the beginning of the
show it was cool when
you were talking and the
book was on fire. I liked
it when you continuously
started to pull paper out
of your mouth.

Sincerely,
Paige McMaxin

Dear Magic Michael,
Your tricks were
so awesome that I thought
it was impossible. My
favorite trick was when
you made Jaymie float
on top of the chair.
I don't know how you did
that but it looked great!!
I'd wish you come again.
Thank you for coming in
our school I
I hope you come again!!

Sincerely,
Caroline Kim
